

CERTIFICATES OF COMPLETION

A Certificate of Completion is awarded for a specific curriculum of fewer than 90 credits and is approved by the Office of Community Colleges and Workforce Development in accordance with the Higher Education Coordinating Commission (HECC) policy. Programs that are at least 45 credits are considered One-Year Certificates of Completion and are eligible for federal financial aid. Programs that are fewer than 45 credits are considered Less Than One-Year Certificates of Completion. These programs are state approved but may not be eligible for federal financial aid.

GRADUATION REQUIREMENTS

- The One-Year Certificate of Completion will be awarded to students who satisfy the following requirements:
 - a. Complete all courses with a C grade or better. Complete one credit-bearing course at Southwestern before the Certificate of Completion is awarded.
 - b. Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).
 - c. Twelve (12) credits must be completed at Southwestern before the Certificate of Completion is awarded.
- The Less Than One-Year Certificate of Completion and Career Pathway Certificate of Completion will be awarded to students who satisfy the following requirements:
 - a. Complete all courses with a C grade or better. Complete one credit-bearing course at Southwestern before the Certificate of Completion is awarded.
 - b. Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).
 - c. Six (6) credits must be completed at Southwestern before the Career Pathway Certificate of Completion is awarded.

WHAT IS A CAREER PATHWAY CERTIFICATE OF COMPLETION?

A Career Pathway Certificate of Completion is an Oregon community college credential comprised of 12-44 credits that are wholly contained in an approved Associate of Applied Science (AAS) degree/option or an independent Certificate of Completion (45+ credits). The Career Pathway Certificate provides a state-sanctioned credential for a course of study that: 1) acknowledges a specific skill proficiency to help students qualify for a job or enhanced employment opportunities; 2) is centered on the needs of students by providing educational options; and 3) provides the flexibility to achieve specific competencies within a longer term career path. These certificates lead to an AAS degree - or even beyond.
